

# Chromebook Solution for as low as \$8.00 per month\*

K-12 school districts are looking to make smart investments in technology that will allow educators to more effectively deliver their curriculum and meet IT requirements for usability, reliability, security, and value. Despite funding challenges, keeping technology current for students is a top priority. HP Financial Services can help you overcome budget concerns and get the technology that you need on terms that work for your institution.

HP Integrated Financial Solutions can help customers find new ways to plan for, acquire, consume and adapt the technology needed for workplace transformation.
