

REACH Compliance Statement

REACH (“Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)”) is a European Union (EU) chemicals regulation that entered into force on 1 June 2007.

HP supports the overall REACH objective of improving the protection of human health and the environment. HP’s long-standing policy is to provide products and services that are safe to use and have a low environmental impact throughout their lifecycle.

HP’s programs are designed to ensure that HP complies with all applicable requirements of REACH. As part of this HP ensures that substances in HP supplies, such as inks, toners, 3D powders, and agents are registered where required and that HP products comply with the restrictions set out in Annex XVII of REACH.
