

Deliver hardware without disruption

HP Deployment Services

Deploy hardware on your terms without disrupting ongoing work

Experience seamless delivery tailored to your schedule with HP Deployment Services. Whether receiving hardware at your business or home, everything is handled. Confidently plan device deployments, with PCs delivered when, where and how you need them.

You pick the packages and let HP do the rest. These services are available for customers who order HP hardware and can be ordered for business or home delivery.

HP Deployment Services ensure an effortless process from the selection of HP hardware to its delivery, and all the way through to the final installation and integration. You can leverage the full potential of your new HP equipment with the delivery services that fit your needs.

HP ESSENTIAL DELIVERY SERVICE

HP Essential Delivery Service ensures seamless shipment, transferring units from the factory directly to your door or dock. Stay informed with proactive tracking and secure proof of delivery for your peace of mind.

HP PREMIUM DELIVERY SERVICE

Experience a seamless delivery service that goes beyond the essentials. From factory to your door or dock, with notifications, tracking, and proof of delivery. Plus, add up to four tailored logistic services for an effortless delivery experience.

HP PREMIUM+ DELIVERY SERVICE

Discover the effortless HP Premium+ Delivery Service. Your order arrives smoothly, with proactive notifications and tracking. Plus, enjoy unlimited logistical services tailored to your needs, making delivery a breeze from factory to your doorstep or dock.

HP HOME DELIVERY SERVICE

Streamline IT and accelerate hybrid employee productivity by ensuring devices¹ arrive quickly with HP's sustainably designed Logistics Services.
