## RIP Certification Catalogue HP Stitch S300 64-in and S500 64-in

AREA	Req.	Functionality	Test Case						
	MUST	Driver installation	HP Stitch S300 64-in printer driver installation						
	11031	Briver installation	HP Stitch S500 64-in printer driver installation						
	HIGH WANT	Network printers autodiscovery	IP printer autodiscovery						
			Continuous Printing - configurable menu						
	MUCT	Casting	Printing a queue of jobs with margins in continuous printing mode						
	MUST	Continuous printing	Breaking continuous printing in a queue of jobs						
			Printing and cutting a queue of jobs in continuous printing mode						
	MUST	Printing stress	Printing simultaneously to several printers						
	HIGH WANT		Cancel from the printer						
ENCY		Job management	Cancel in RIP before printing						
EFFICIE			Cancel in RIP while printing						
			Pause while printing						
PRODUCTIVITY & EFFICIENCY	HIGH WANT	Job accounting	Job Accounting on RIP						
PROE			Printer status						
	HIGH WANT	Printer reporting	Printer alerts						
			Media mismatch						
	HIGH WANT	Sleep mode management	Wake up before printing a job						
	TIIGH WAIN	Steep mode management	Wake up before synchronizing media						
	HIGH WANT	Double sided printing	Double sided printing form RIP						
	FIIGH WAINT	Double sided printing	Double sided printing from printer						
	WANT		Full bleed						
		Additional Enhancements	Color bars						
			Front panel job preview						
	HIGH WANT	Predictive alerts	Ink prediction						
	Thigh W/NV	Tredelive dieres	Alerts for job consumption prediction						
	MUST	Manual media sync	Sync a custom media						
	MOST	Handat media syric	Sync a deleted media						
	WANT	Automatic Media Sync	Media sync before preparing a job						
	VV/IIVI	Natornatic Fiedda Syfic	Media sync before printing						
F			Export a media preset						
AGEME	WANT	Sharing media profiles	Import a media preset						
MAN			Set RIP ICC profile in printer media preset						
COLOF	WANT	Color Consistency	Trigger printer internal calibration						
MEDIA & COLOR MANAGEMENT	HIGH WANT	HP Color Tools User Interface	HP UI experience for HP Easy profiling and HP professional PANTONE Emulation refinement workflows.						
-	HIGH WANT	HP Professional PANTONE emulation	PANTONE colors through HPPPE library						
	HIGH WANT	HP Print PANTONE Emulation swatchbook	Print PANTONE emulation Swatchbook through HPPE library						
	HIGH WANT	HP Easy Profiling	ICC profile creation through HP Easy Profiling workflow						
END	HIGH WANT	HP Applications Center PDF support	Protected PDF Support						
END TO END SOLUTIONS	WANT	HP Applications Center jobs automation	HP Applications Center Jobs automation
