

Order your school's equipment now and make your payments later

0% implicit rate and no payments for 90 days

Higher education institutions are looking to make smart investments in technology that will allow educators to more effectively deliver their curriculum and meet IT requirements for usability, reliability, security, and value. Despite funding challenges, keeping technology current for students is a top priority. HP Financial Services can help you overcome budget concerns and get the technology that you need on terms that work for your institution.

HP Integrated Financial Solutions can help customers find new ways to plan for, acquire, consume and adapt the technology needed for workplace transformation.
