BIRDS IN LOVE

papercraft by guardabosques

What you need:

- ♥ Tools: scissors or utility/craft knife; all-purpose glue or school glue; and perforation cutter (optional).
- ♥ Print in Letter-size paper. Ideal paper weight: 150 to 200 GSM.

- cut
- - - - mountain fold
- · - · - valley fold

Assembling tips:

- ♥ Mark the dotted lines with the backside of a cutter's cutting edge or a ballpoint pen without ink if you don't have a perforation knife. It is recommended that you mark the lines before cutting the outlines.
- ♥ Cut the pieces as you need them, so you don't lose the references.
- ♥ Stick one flap at a time using small amounts of glue. Press for a few seconds to make sure each one is well glued.
