

Microsoft WSL 2

Experience the best of both Windows
and Ubuntu for IT decision makers

Boost your business by unlocking insights with Data Science

HP and Microsoft worked together to offer the Windows Subsystem for Linux 2 (WSL 2)¹, integrating the benefits of Linux into a single Windows OS, to provide businesses with improved data processes without jeopardizing IT.

From enabling the safe and sound performance of major business tasks to empowering data science professionals, there's a wide-ranging set of technological needs within an enterprise. With office workers preferring the smooth user experience of Windows and data scientists relying on the outstanding development environment of Linux, how can IT Decision Makers meet all demands at the same time? WSL 2 is the key to leveling the playing field for everyone, as it empowers IT managers to ensure a holistic and practical tech environment in each area.

Optimize IT infrastructures with:

Peace of mind

With **WSL 2** running the latest version of the **Windows OS** you can keep the security and manageability of your IT setup while supporting the needs of your data science team.

Empowering data science

Unlock the power of growth with **WSL 2**. The superior development environment of Ubuntu and OS compatibility will help you keep up with your heaviest workflows and make the most out of data.

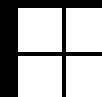

A full solution in seconds

Get a right-out-of-the-box data science solution with pre-installed **WSL 2** on **select Z workstations**. And go even further by adding our pre-loaded Data Science Software Stack and world-class GPU and CPU acceleration.

For more, **check out our Data Science Laptops and Desktops** at [HP.com/DataScience](https://www.hp.com/DataScience)

HP helps you keep up with data

Windows

¹ WSL 2 requires Windows 10 Pro or higher, Intel Core i5 processor or higher and is available on select Z workstations. You must be running Windows 10 Pro version 21H2 or Windows 11 Pro. © Copyright 2021 HP Development Company, L.P. The information contained herein is subject to change without notice.
