LASER LEMON

LEMONADE 25¢

Color Fun Facts:

Year Introduced: 1972

Name of Crayola® Crayon box first included in: Box of 72

Yellow is bright and warm like the sun. You've probably seen yellow tennis balls, but have you ever seen a yellow baseball? Yellow baseballs were once used, even before yellow tennis balls. Lemonade makes a great treat on warm summer days, especially after baseball, tennis, or other outdoor games. Color these lemons and lemonade with a Laser Lemon crayon.
