## ATOMIC TANGERINE

### Color Fun Facts:

Year Introduced: 1972

Name of Crayola® Crayon box first included in: Box of 72

Atomic Tangerine is part of the orange color family. Orange is the hottest of all colors, catching your eye and never resting. Atomic Tangerine is a very bright shade of orange. It gives the warm, excited, happy feeling of a bright sunny day. Scientists say that mosquitoes are less likely to bite if you are wearing bright orange. Use an Atomic Tangerine crayon to color this sunset scene and the submarine.
