

# Nature Hunt

Go for a walk in nature and cross off all the things that you hear and see.

Peter the Pigeon

Wilbur the Worm

Lottie the Ladybug

feather

leaf

funghi

flower

Whitney the Woodlouse

stick

tree

Sid the Squirrel

Whilst on your walk, think about your five senses;

Touch, sight, hearing, smell and taste.

Use this page to color and write about what you experienced on your nature walk.

What did you hear?

What did you see?

What did you feel?

What did you smell?

What were your favourite nature finds of the day?
