

Poly Voyager 4210 Microsoft Teams Certified USB-C Headset +BT600 Dongle +Charging Stand

Easily move around the office

Power up productivity for office workers with the Voyager 4200 UC Series Bluetooth® wireless headsets. Connecting is seamless – smartphone or computer. Outstanding audio, freedom to roam.

You've got room to move

Give your office workers flexibility and hands-free productivity with generous roaming range. They'll be able to take multitasking to the next level and add some pep to their step with this wireless headset¹.

Choose what you hear

Tune out background noise or keep one ear open – the choice is yours with stereo and mono styles. Outstanding noise canceling and dual microphones block out nearby chatter. Enjoy superior acoustic performance, all day.

Escape the desk

Give office workers flexibility and hands-free productivity with up to 30 meters / 98 feet of Bluetooth® wireless range with the included BT600 USB adapter.

Connectivity options

Easy connectivity options for your different communication needs: BT600 USB Bluetooth® adapter to connect to your PC and directly to the mobile phone via Bluetooth®.

No need for battery anxiety

Keep your headset fully charged using a desktop charging stand. You can also extend the battery life by using it corded, with audio over USB mode.

Smart sensors

Dynamic Mute Alert senses and tells you when talking while muted. And the on-ear indicator light flashes to let others around you know you are on a call to keep you distraction free.
