

Phone Cashback Program

Amplify your conversations!

Business thrives on clear communication. Poly phones are designed to enhance your business communications with seamless connectivity, high-quality audio and a range of options to keep your workforce connected. Upgrade your voice communications with Poly phones and get cash back with this special program!

It's simple: all you need to do is purchase eligible Poly product (minimum 5 units per claim; maximum 200 units per customer) through an authorized Poly service provider, and then submit your rebate claim for cashback. Save money while enhancing your business communications and ensuring simple, seamless connectivity and management.

- Select from the variety of eligible phone products to purchase.
- Receive up to \$75 USD cashback per unit. Rebate dollar amounts are listed by model below.
- This offer is valid until July 31, 2024. Cashback rebate available in United States and Canada only.
