

The image shows a screenshot of the Microsoft Teams interface during a call. The top bar includes the 'Microsoft Teams' logo and a search bar. On the left, a vertical sidebar contains icons for Activity, Chat, Teams, Assignments, Calendar, Calls, Files, Apps, and Help. The main area features a large circular placeholder for a participant's video. Below this is a toolbar with the following icons from left to right: a timer showing '00:10', a camera icon with a slash, a microphone icon with a slash, a screen share icon, a three-dot menu icon, a hand icon, a chat icon, a participants icon, and a red end call button. Below the toolbar is a row of nine circular icons representing participants. Blue lines connect these icons to labels: the first icon to 'Call duration', the second to 'Activate/deactivate camera', the third to 'Activate/deactivate microphone', the fourth to 'Share screen', the fifth to 'More options (record screen, gallery...)', the sixth to 'Raise your hand', the seventh to 'Access to chat', the eighth to 'Participants', and the ninth to 'End call'. In the top right corner, a small icon with three dots is connected to a label 'Access to settings'.
