

The image shows a screenshot of the Microsoft Teams meeting interface. The top bar includes the 'Microsoft Teams' logo, a search bar labeled 'Rechercher', and a user profile icon with a dropdown arrow. The left sidebar contains navigation icons for 'Activité', 'Conversation', 'Équipes', 'Devoirs', 'Calendrier', 'Appels', 'Fichiers', and 'Applications'. The main area features a large circular placeholder for a user's profile picture. Below this, a text prompt reads 'Invitez des contacts à vous rejoindre'. At the bottom, a control bar contains several icons: a timer showing '00:07', a camera icon, a microphone icon, a screen sharing icon, a three-dot menu icon, a hand-raising icon, a chat icon, a participants icon, and a red end-call button. Callout boxes with blue lines point to these icons, providing their functions in French: 'Accès à la configuration' (points to the top-right user icon), 'Terminer l'appel' (points to the red end-call button), 'Participants' (points to the participants icon), 'Plus d'options (enregistrer écran, galerie...)' (points to the three-dot menu icon), 'Accès au chat' (points to the chat icon), 'Lever la main' (points to the hand-raising icon), 'Partager écran' (points to the screen sharing icon), 'Activer/désactiver le micro' (points to the microphone icon), 'Activer/désactiver la caméra' (points to the camera icon), and 'Durée de l'appel' (points to the timer).
