

The image shows a Microsoft Edge browser window with several callout boxes pointing to specific UI elements:

- Search bar**: Points to the search bar in the address bar.
- Favourites bar**: Points to the favourites bar below the address bar.
- Settings**: Points to the settings icon in the top right corner of the browser window.
- Microsoft applications**: Points to the Microsoft applications icon (a grid of dots) in the top left corner of the page.
- Page design**: Points to the page design icon (a gear) in the top right corner of the page.
- Quick links**: Points to the quick links bar at the bottom of the page, which contains icons for Microsoft Office, All apps, Bing, eBay, Wayfair, QVC, and Kohl's.

The browser window displays a new tab with a search bar, a favourites bar, and a settings icon. The page content features a llama in a mountain landscape with a search bar overlay. A quick links bar is visible at the bottom of the page.
