The screenshot shows the Google Drive web interface. On the left, a navigation sidebar includes options like 'New', 'Priority', 'My Drive', 'Shared drives', 'Shared with me', 'Recent', 'Starred', 'Bin', and 'Storage'. The main content area is titled 'Shared drives' and displays a card for 'Example shared drive' with '1 person' listed below it. A search bar at the top reads 'Search in Drive'. In the top right corner, there are icons for help, settings, and a grid menu, along with a 'Hidden shared drives' button. A vertical sidebar on the right contains various utility icons. Four callout boxes with blue lines and purple circles point to specific UI elements: 'Access your shared drives' points to the 'Shared drives' menu item; 'Number of members in drive' points to the '1 person' text; 'Available shared drives' points to the 'Example shared drive' card; and 'View hidden shared drives' points to the 'Hidden shared drives' button.

The screenshot displays the Google Drive interface for a shared drive. The top navigation bar includes the Drive logo, a search bar, and utility icons. The left sidebar contains navigation options like 'New', 'Priority', 'My Drive', 'Shared drives', 'Shared with me', 'Recent', 'Starred', 'Bin', and 'Storage'. The main content area shows a list of files under the heading 'Example shared drive' (1 person). Three callout boxes with blue lines point to specific UI elements: 'Access drive settings' points to the drive name dropdown menu; 'Files in the drive' points to a file thumbnail; and 'Share a drive' points to the 'Manage members' link in the top right corner.
