The screenshot shows the Microsoft Forms application interface. At the top, there is a search bar labeled "Recherche" with a magnifying glass icon. Below the search bar, the "Créer un formulaire" section is visible, featuring a "Vide" option (represented by a plus sign) and a "Galerie de modèles" section with various pre-made form templates such as "Questionnaire vierge", "Ticket de sortie", "Évaluation", "Titre de la fiche d'exerc...", and "Votre avis sur la format...". Below this, the "Formulaires récents" section displays two recent forms, "Exemple 1" and "Exemple 2", each with a "Dernière ouverture 11:54" timestamp. A filter dropdown menu is set to "Tous".

Callouts in the image point to the following elements:

- "Créer un formulaire en blanc" points to the "Vide" option in the "Créer un formulaire" section.
- "Formulaires créés" points to the "Formulaires récents" section.
- "Créer un formulaire à partir d'un modèle" points to the "Galerie de modèles" section.
- "Filtrer les formulaires" points to the filter dropdown menu.
- "Recherche" points to the search bar at the top.

The screenshot shows the HP Online Teaching Assistant interface. At the top, there are two tabs: "Questions" and "Réponses". The "Questions" tab is active. The main area displays a form titled "Exemple 1" with a description "Description du formulaire". Below the title, there is a text input field labeled "Question" and a dropdown menu set to "Choix multiples". There are two radio button options: "Option 1" and "Ajouter une option ou ajouter 'Autre'". At the bottom of the form, there is a checkbox labeled "Obligatoire" which is currently turned off. Below the main form, there is a preview of a question titled "Question sans titre" with an option "Option n° 1".
