Assess using rubric

The screenshot shows the 'Assess' interface for an 'English class 3º'. It features a 'Return' button, a '100 points' dropdown, and a 'Student work' tab. A table on the left lists assigned students with their scores and draft status. The main area displays a rubric with criteria like 'Creativity' and 'Quality', each with a progress bar and a score input field. A 'Task mark' of 75/100 is shown, along with a '3/4' rubric score. A private comment field is at the bottom.
