Jamboard

The screenshot shows the Google Jamboard web interface. At the top left, there is a hamburger menu icon, the text "Google Jamboard", and a search bar with a magnifying glass icon and the word "Search". At the top right, there is a grid icon, a user profile icon, and a "Google toolbar" callout. Below the header, the main area is titled "Recent Jams". On the right side of this area, there are controls: "Owned by anyone" with a dropdown arrow, a refresh icon, "AZ" sorting, a list icon, and a share icon. In the center, there is a card for a Jam titled "Jam 1" with a date of "14 May 2021" and a three-dot menu icon. At the bottom right, there is a large circular button with a plus sign and a "Create a new Jamboard" callout. A callout on the left points to a small circular icon on the left side of the Jam card.

The image shows a screenshot of the Jamboard interface with several callout boxes pointing to specific features:

- Do/undo**: Points to the undo and redo icons in the top left toolbar.
- Add title**: Points to the title input field at the top left.
- Zoom**: Points to the zoom in and zoom out icons in the top left toolbar.
- Add background**: Points to the background selection icon in the top left toolbar.
- Erase the frame content**: Points to the clear frame icon in the top left toolbar.
- Frames (sheets)**: Points to the sheet navigation icons (back, forward, and sheet indicator) in the top center.
- More options**: Points to the three-dot menu icon in the top right.
- Share the Jamboard**: Points to the share button in the top right.
- Pen**: Points to the pen tool in the left sidebar.
- Eraser**: Points to the eraser tool in the left sidebar.
- Select**: Points to the select tool in the left sidebar.
- Post-it note**: Points to the post-it note tool in the left sidebar.
- Images**: Points to the image tool in the left sidebar.
- Shapes and arrows**: Points to the shapes and arrows tool in the left sidebar.
- Text box**: Points to the text box tool in the left sidebar.
- Laser pointer**: Points to the laser pointer tool in the left sidebar.

Other visible elements include the "Set background" and "Clear frame" buttons in the top toolbar, the "Open on a Jamboard" button in the top right, and the main drawing area.
