

The screenshot shows the OneDrive web interface with several callout boxes pointing to specific features:

- Ajouter des dossiers ou des fichiers neufs**: Points to the '+ Nouveau' button in the top navigation bar.
- Charger des dossiers ou des fichiers**: Points to the 'Charger' button in the top navigation bar.
- Chercheur de OneDrive**: Points to the search bar at the top of the interface.
- Organiser l'information**: Points to the 'Trier' (Sort) dropdown menu in the top right corner.
- Librairies de documents**: Points to the left-hand navigation pane containing 'Mes fichiers', 'Récents', 'Partagés', and 'Corbeille'.
- Information concernant le fichier**: Points to the 'Partage' column header in the file list table.
- Documents disponibles sur OneDrive**: Points to the file list table itself.

The file list table has the following columns: Nom, Modifié, Modifié par, Taille du fichier, and Partage. The interface also includes a search bar, a 'Rechercher' button, and a 'Synchroniser' button.
