

OVERVIEW

HP mt45 Mobile Thin Client

The world's most advanced mobile thin client for collaboration¹

Achieve the perfect balance of form and function with the beautifully designed HP mt45 Mobile Thin Client. It offers built-in collaboration features such as a world-facing third mic, collaboration keys and loud speakers.

Distinctively designed to work everywhere

Mobilize your workforce in style with this precision-crafted, all-aluminum thin client with a 14" diagonal Full HD² narrow bezel optional anti-glare touch display.³

Effortless remote conferencing

Collaborate like a pro with a world-facing third microphone, loud speakers, HP Noise Cancellation, and Skype for Business[®] collaboration keys that keep calls productive and efficient.

A privacy and security power combo

Maximize data and device safety with an optional integrated privacy screen, HP Privacy Camera, multi-factor authentication, and HP Sure Start Gen5 BIOS protection.^{4,5,6}

As the cloud grows and maximizes your ability to work remotely and securely, our devices need to follow suit. The HP mt45 Mobile Thin Client maximizes your ability to work on-the-go with optimal network accessibility, powerful USB-C™ technology, and a sleek design that users will be proud to sport—no matter where they're working from. With a device like this, the world is your office and the possibilities are endless.

Optimized for your cloud and VDI environments

Choose from the secure HP ThinPro OS or reliable Windows 10 IoT Enterprise

Premium virtualization with industry ISV partners, including Citrix®, VMware®, and Microsoft

Manage and maintain thousands of devices remotely with included HP Device Manager software

Fast charging and fewer cables

Optional HP Fast Charge adapter charges your battery up to 50% in 30 minutes⁷

Access your network, data, video, and power up with one simple USB-C™ cable⁸

Power-packed processing speeds

Next-generation AMD Ryzen™ 3 PRO processor for next-level productivity

Radeon™ Vega graphics for multi-tasking, streaming content, and more
